

## **Meet Brett Furman, A Top 10-Ranked Real Estate Agent in the Region**

**(St. Davids, PA – June 2018)** Spring is in the air and for the Real Estate Industry that means an increase of clientele eager to buy or sell a home. This March, Brett Furman, Broker/Owner of RE/MAX Classic served his clients so well that RE/MAX International recognized him as a top-ranked agent in the region. This is the third time Mr. Furman has received such an award in as many years!

“I never think about awards or trying to get top-ranking in my day-to-day work,” said Mr. Furman. “I’m just focused on moving things forward for my clients and doing whatever I need to do to get their needs met. Receiving this kind of recognition is such an honor.”

So, what does Mr. Furman attribute to this high level of continued success? “For the first time in 10 years, a serious lack of inventory has created a local seller’s market, causing this sense of urgency to get homes listed and sold for the maximum amount of money, much to the disbelief of buyers.” said Mr. Furman. With over 26,000 local agents, 3,300 of them professionally associated with RE/MAX, achieving this rank in such a highly competitive market is no easy feat. Mr. Furman believes the excellent benefits he offers, including a Home Concierge Service, assures each client he has the privilege of representing that he will do his best to provide a positive Real Estate experience.

“I truly couldn’t do what I do without the support of my team of specialists,” said Mr. Furman, whose team includes 2 sales partners, a dedicated assistant, a listing coordinator, a client outreach coordinator, a professional photographer, and a social media/SEO expert. “They’re an accomplished group, each working only in the area that compliments their natural strengths and skills, and the first people I wanted to thank when receiving this award.”
